Barre Yoga: A class that integrates elements of Pilates, dance, cardio & strength training. Great for toning the abs, legs, thighs and buttocks.

Beginner Yoga : A perfect class for those who are new to the yoga practice or for those who would like to revisit the basics.

Flow Yoga : In this class flow through a powerful sequence that will leave you feeling energized, rejuvenated and balanced from top to bottom. Flow yoga classes do not follow a set sequences of poses (asanas) each class will be unique and different. Also offered in a HOT room.

Hatha Yoga : A yoga class that focuses on alignment and holding poses while maintaining ease and steadiness. Includes pranayama (breathing exercises)..

Luminous Chakra Yoga : In this practice we will break down blockages within your energy body and enhance each chakra through chakra specific postures.

Power Yoga : This class is suitable for ALL LEVELS. It's a powerful blend of Vinyasa and Astanga yoga. This powerful, energetic, playful, flowing class has a strong emphasis on breath and allows beginners, intermediate and advanced students to be challenged in the same class.

Restorative Yoga : Warm restorative yoga focuses on relaxing the body in restful postures and help us learn to relax and rest deeply and completely.

Shoulders, Hips & Hamstrings : A yoga class that focuses on opening the shoulders, hips and hamstrings to create increased range of movement and flexibility in those areas and can alleviate back pain, bad posture and knee issues. For all levels.

Therapeutic Yoga : Therapeutic yoga is an extremely effective practice for those recovering from, or living with, injury or illness. It blends gentle and restorative yoga breathing techniques,

Long & Lean : Designed to tone your entire body, creating longer, leaner muscles, we combine movements from Barre, Pilates and Yoga to build strength, and tone with fluidity and grace.

Yoga with Weights: This Flow yoga uses light hand weights & resistance bands to tone & sculpt while short cardio bursts will elevate your heart rate for max. cardio and fat burn.

Yin Yoga: Yin yoga is a practice that brings you deeper within your energetic body. You will experience Yin yoga

postures and mudra hand positions to unblock the energy meridians that run throughout the body. Support your health and healing through cultivating balance and harmony through deepening your ability to recognize the messages of the body; enhancing your sensitivity to the flow of subtle energy, and releasing the limiting beliefs that nurture challenging emotions and thoughts.

Yin/Yang Yoga: Yin/Yang yoga classes combine a powerful vinyasa flow sequence with yin yoga. The vinyasa cultivates yang energy by focusing on developing stamina and strength, whereas the yin sequence aims to stretch the deep and dense connective tissues in the body with long and passive holds.

YogaSculpt: Yoga Sculpt & Stretch is a yoga class that incorporates hand held weights (1lbs, 2lbs & 3lbs) and/or ankle weights. This class provides the best of both worlds; while increasing strength and muscle tone we also create more length and lean muscle mass.

Pilates : Pilates engages the body and the mind through a series of controlled movements that will lengthen and strengthen your muscles without adding bulk. These movements improve the mind-body connection, alignment and posture, mental alertness while helping to develop a strong core. In this class some props will be used including resistance bands, foam rollers and blocks.

Kids Birthday Parties: An hour yoga class followed by an hour in the party room. (yoga mats & fridge provided)
